Sports for Schools Fundraising Event

On Monday the children took part in a fundraising event where in their classes they each completed 4 one minute fitness circuits as instructed by our special guest Danny Butler. Danny is a daredevil mountain biker who has been 5 x British and European champion. Danny put the children through their paces but every single one of them got stuck in and made us proud!

After lunch we were treated to a very exciting assembly where we got to learn more about Danny and his love for bikes he then showed us some of his daredevil stunts that he can do on his bike! The children loved this!

We would like to say a massive thank you to Sports for Schools and to Danny for taking the time to visit us.

Sports Week

This week in school it has been Sports Week.

The children have taken part in a range of exciting and fun activities including, gymnastics, martial arts, archery, football and many more within their classes and have thoroughly enjoyed themselves. Take a look at some of the photos below:

Thank you to everyone who came to our Sports Day this week, it was a great turn out and the weather was fantastic.

The children took part in running races, egg and spoon, the sack race and an obstacle course.

The behaviour of all our children was exemplary, and we are very proud of you all.

Thank you and well done also to our parents who took part, you really were great sports and the children thoroughly enjoyed watching you race and cheering you on!

HUGE Congratulations goes to Catalyst House who got the most points!

Reception / Year 1 Class Trip

On Tuesday our Reception and Year 1 class went on their first class trip to Martin Mere.

The children attended workshops that supported both the Y1 Science and Geography curriculum and Knowledge and Understanding of the World for children in Reception. The children developed their knowledge on birds and life cycles in addition to learning more about the impacts of litter on wildlife.

The children were a credit to our school and thoroughly enjoyed their day out and luckily the weather was nice too.

Thank you to the parents / carers that attended and helped us out too.

We are really excited for more trips in the future.
